FEATURED BOOK

THE REACH OF SHADOWS - TONY J. FORDER

The fourth book in a bestselling crime series that will have you gripped from the explosive start to the heart-pounding conclusion.

Recovering from injuries sustained in a road collision, DI Bliss is taken directly from hospital to a fresh crime scene and ordered to investigate the vicious stabbing and murder of Jade Coleman.

When Bliss realises the victim had reported being stalked, and that two of his own team had been drafted in to take her statement, he is given the unenviable task of interviewing both of his detectives.

Increasingly it appears that the stalker may be their killer. However, several other people soon become part of the team's suspect list.

Bliss also finds himself being questioned about his own past and has to battle to defend himself whilst continuing to investigate the murder.

Soon more questions arise. Why would anybody target Jade Coleman?

Why are the team unable to identify the victim's close female friend?

And why did Jade recently leave her job without any explanation?

With his work cut out, and his team under pressure, can Bliss solve the case before more victims show up? Or will the shadows of his own past reach out and drag him under before he can succeed?

What readers say

"The characters are believable and pull you into the storylines. Loved it and highly recommend this series!" – Trisha B., Amazon reviewer

"With one eye on the past, and another on the present, DI Bliss must negotiate the twisted path of crime while carefully watching his own path. His team is there to watch his back as he prepares to navigate the treacherous waters around him and yet still solve the current murder case. Excellent read." – Dixie, Amazon reviewer

"A fast-paced and intriguing story. I couldn't fathom how all the strands were going to resolve themselves - and then Tony Forder pulled off a stunning climax. I highly recommend this book and the others in the series. – Maggie James Author."

FEBRUARY DISCOUNT

VALENTINE'S DAY DISCOUNT - FEB. 14 - 20

ABEL'S REVENGE by **ROSS GREENWOOD**

A man on the edge. A city in danger.
This is a story about a city. As with all others, it's a place of violence. There are murderers, and they live among us.

This is also a tale about a couple — sometimes friends, occasionally lovers, but always partners. Dan and Olivia are fighting modern battles; the ones parents have over a lack of money, time or peace.

An escalating serial killer terrifies the streets and homes. The body count rises as their relationship crumbles. Society reveals its dark side, and no one is safe. Dan and Olivia experience this first-hand as danger closes in.

Will Abel's reign of terror ever end? Who will live, and who will die?

THE FOUNDLING by **ANGIE SMITH**

Abduction, torture, murder. Sex, lies and swimming naked

“A fast paced thriller, characterisation that is so believable, characters you quickly become invested in, and you find yourself on the edge of your seat as you continue to read. A well-written book, and one you will not be able to put down ! You will be taken on a roller coaster ride of emotions, thrilling, chilling and shocking all in equal measure. I am sure glad I found this author and can't wait to read her other novels.”
– Angela, Amazon reviewer

“The story is steeped in murky business but the top layer of Miller's life is glitzy and glamorous. Although he's mixed up in some nasty business, you can't help rooting for Miller. It's an exciting story and packed with action, as all Angie Smith's books are, and I enjoyed it.”
